ROCKY MT. FEVER

Working outside this summer? Remember to check yourself (and your pets!) afterwards for ticks. After a milder winter, ticks are more prevalent this summer than usual. One case of Rocky Mountain Spotted Fever has been confirmed in our neighborhood. James Pest Control treated our common areas this season, but please consider treating your yard for ticks.

CALLING ALL BABYSITTERS AND PET SITTERS!

We are in the process of creating a list of babysitters and pet sitters for our neighborhood. If you are interested in being added to the list, email Jennifer Hayden at haydenjenniferL@hotmail.com. Make sure to indicate which list you would like to be added to and whether you hold any certifications such as CPR.

NEW PROCESS FOR OPEN FORUM

The open forum portion of board meetings is an opportunity for members from the community to make comments or suggestions and share their opinions with the board of directors. Effective immediately we are requesting the following:

- In order to allow opportunity for as many members to be heard, please limit your comments to no more than two minutes
- Comments should be restricted to the business and interest of the community as a whole
- Comments should be addressed to the board as a body
- It is our preference that comments be given to the secretary prior to each meeting in order to be added to the agenda. You can access contact information for the VOW secretary on our community website.

Visit our website, where you can join an email list: <http://villagesofwestminster.org>

NEIGHBOR SPOTLIGHT

The vibrancy of colors as you enter our neighborhood is all due to the work of **Barbara Shaal** and her committee of volunteers. This past Spring they spent over 38 hours weeding and planting 760 plants! A special thanks to Joel Patton from **Homestead Gardens** who worked with Barbara to allow for the purchase of plants well under budget.

WE WANT TO SPOTLIGHT YOU— SEND US YOUR STORY!

Do you have a story you would like to share with your neighbors? We want to spotlight the achievements, adventures, service, and announcements of community members. Please send an email to: social@villagesofwestminster.org to share your story.

REMINDERS

Personal Safety

As many of you may know, our neighborhood as well as several other nearby communities, was recently the victim of car thieves. Please make sure to lock your vehicles. Even better, pull them into your garage if possible. Also, consider leaving back and front exterior lights on at night or installing motion lights.

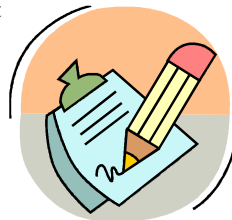

Pool Hours

In an effort to accommodate as many different schedules of our community members as possible, the board has elected to divide the pool hours for the summer as follows:

Monday, Wednesday & Friday: 11am-8pm

Tuesday, Thursday, Saturday & Sunday: 10am-7pm

Please make sure to sign in at the pool. This will help us determine what times the pool is being used.

VOLUNTEERS NEEDED

Interested in getting to know the regulations that govern our neighborhood a bit better? The board of directors is beginning to conduct a review of our community covenants and is looking to put together an ad-hoc committee to assist with the review process. The end result would be a list of possible amendments to the covenants which would be voted on by the entire community at the December meeting. Contact any board member if interested in joining.

We're on Facebook! Check out the Villages of Westminster Facebook page for updates and announcements.

GARDEN CLUB

New members are always welcome! Check the VOW website for upcoming events.

HOA BOARD MEETINGS

Our next HOA board meeting will take place on **Wednesday, July 18th at 7pm** in the clubhouse. All are welcome to attend.

Beginning in September, board meetings will be held on the fourth Wednesday of each odd month at 7pm.
