NOTES:

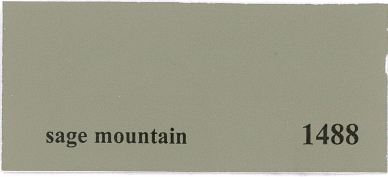

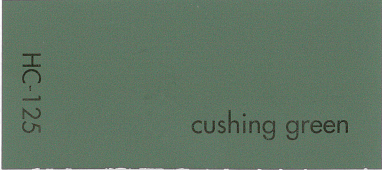

1. These colors are approved for use only to re-paint existing doors and shutters to match their existing color, or install new shutters and doors to match existing. Any change from existing color must be approved by the VOW ARC.
2. Any color not represented here, including color matched samples from manufacturers other than Benjamin Moore & Co., must be pre-approved by the VOW ARC prior to painting shutters and doors.
3. All exterior door, window, miscellaneous trim, etc. shall be White, no exceptions.
4. These colors shall not apply or be construed for use for siding colors, fence colors, deck colors or any other exterior colors not expressly stated here. All other exterior colors require pre-approval by the VOW ARC prior to installation or application.

DISCLAIMER:

Note that these color selections are based on Bennette Paint Mfg. Co., Inc. colors which were originally used in the VOW. This company no longer exists and every effort has been made to provide color matches to those original colors using Benjamin Moore & Co. as a basis. As such these colors are subject to change and shall be periodically reviewed to assure continued availability and correct color match. The color swatches represented here may vary from actual samples due to differences in printing, scanning or other digital media reproduction beyond VOW's control. Owner shall obtain industry standard sample color chips from Benjamin Moore & Co. for use when color matching to existing or to other paint manufacturers prior to submitting to the ARC for pre-approval.
